Put a red dot on every 2<sup>nd</sup> square, a blue cross on every 3<sup>rd</sup> square, a green triangle on every 4<sup>th</sup> square and a black square on every fifth square.

Make the pattern on a strip of 20 squares.  
How many squares have no decoration?

Did any squares get three decorations?  
Which ones?  
Why?

Did any squares get all four decorations?  
Which ones?  
Why?
