

SIERPINSKI TRIANGLE

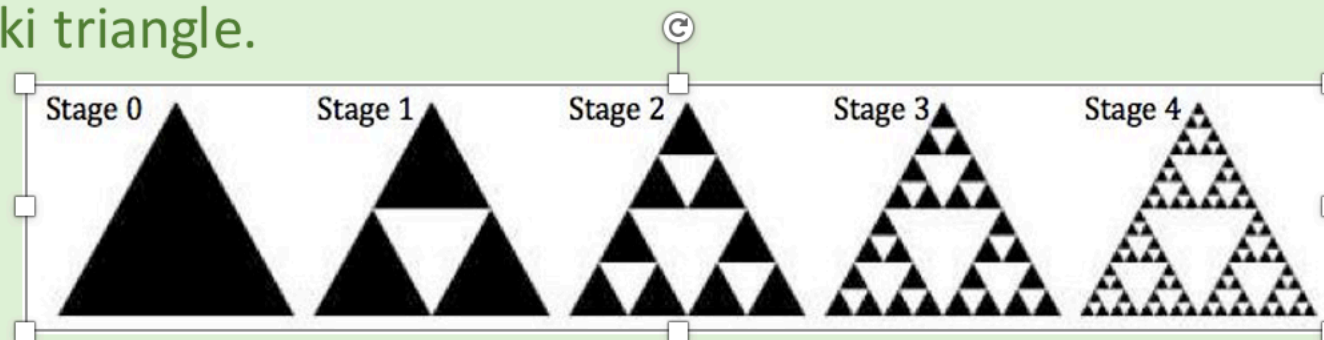

<https://aiminghigh.aimssec.ac.za/30-minute-fractals-lesson-and-follow-up/>

Start by watching the video <https://youtu.be/B2dkNPaTmDY>

Stage 3
Sierpinski
triangle

Share this task with a group. Make 27 copies of the stage 3 triangle, colour them as shown and build them into a stage 5 Sierpinski triangle.

Sierpinski Tetrahedra

Make small tetrahedra and build them into bigger structures as with the triangles and as shown in the picture
