

RED OR BLACK

<https://aiminghigh.aimssec.ac.za>

GAME FOR 2 PLAYERS

Take a pack of 52 playing cards.

One player is dealer and turns each card face up one at a time.

Before seeing the card the other player must say 'red' or 'black' and wins the card if the guess is correct, otherwise the dealer wins the card.

The winner is the player with the most cards at the end.

Is there a winning strategy?
