

SEEGA – GAME FOR 2 PLAYERS

<https://aiminghigh.aimssec.ac.za/seega/>

Aim to trap your opponent's pieces between two of yours

as cream does here.

STAGE 1: Start with 12 game pieces each. In turn places 2 pieces on the board, but not on the centre.

STAGE 2: Player 1 moves one of his men to the centre, if unable to do so removing one of the opponent's pieces. In turn move a piece one place horizontally or vertically, not diagonally. To capture an opponent's piece, trap it between two of your pieces and then remove it from the board. You can move again if that results in another capture. To win you must capture all your opponent's pieces.
