

CHECKIT-QUADRATIC FACTORISATION

<https://aiminghigh.aimssec.ac.za/checkit-challenge/>

Each entry is a quadratic expression. There must be a common factor in all 3 expressions on each edge.

What are the missing expressions?

BE CREATIVE
Learners can invent their own
Checkit Algebra games

As a game for 2 players, both players make up a puzzle like this.
Then they solve each other's puzzles.
